

2008

The 23rd Annual

FREELAND WALLEYE FESTIVAL

APRIL 25, 26, AND 27TH

Presented by The Freeland Lion's Club

A grateful thanks to all who participated in last years highly successful Festival and Tournament. We'd like to take this opportunity, to invite you back to join in the events of 2008. We will be hosting all the successful events from past years, such as the community wide rummage sales, the popular Kid's fishing pond, Friday night fish dinners with fireworks to follow, the longest parade in the Tri-Cities, the beer tent with great entertainment and gambling, just to mention a few.

Once again we are asking for your help and support, which makes all this possible. Your **TAX DEDUCTABLE DONATION** of money and / or services is what makes this Festival and tournament go. Major Sponsors of \$500 or more and a Members Sponsor for \$200, will get you included on all our mailings, registrations, posters, event flyers, and radio time, before and thru the Festival. Where do the proceeds go? For example, last year we were able to dredge the park pond to create a better fishing experience for the children, at the same time, a new sledding hill for winter recreation.

Time is critical and we need your help. We need commitments from our sponsors ASAP. We will be going to print mid to late March. All commitments must be in by March 10th and paid by April 29th.

Please consider sponsoring a portion of this years Festival. We will be pleased to pick up your contribution(s) or you can mail them to:
