TO:

The **FREELAND LION'S CLUB** would like to take this time to offer our sincere gratitude, for your donation to this year's Walleye Festival. The Freeland Community is truly fortunate and will benefit from your generosity. As you know, all proceeds from the festival and tournament are returned to the community. Community improvements include upgrades to the township parks, the Summer Concert Series, as well as special lighting during the holidays. This is all based on the success of the Walleye Festival.

Thanks again, for your involvement this year.
