The **Freeland Lions Club** would like to take this opportunity to offer our sincere gratitude, for your donation to this year's Walleye Festival. The Freeland Community is truly fortunate and will benefit from your generosity.

As you may know, all proceeds from the festival and tournament are returned to the community. Community improvements include upgrades to the township parks, the Summer Concert Series, as well as special lighting during the holidays. This is all based on the success of the Walleye Festival.

Thank you once again, for supporting this community.
